For working of the Macedonian Scientific Society for Autism in 2009

Macedonian Scientific Society for Autism is planning to realize many activities in 2009:

- Completing of the Common Network Project;
- Starting discussion with the Ministry of Labour and Social Policy with regard to the establishment of Centre for autism;
- Introduction of two master theses by MSSA members – students at post-graduated studies at the Institute of Special Education and Rehabilitation;
- Publishing of at least one paper regarding autism issue in foreign magazine;
- Detection of new cases of autism;
- Activities regarding establishment of register of persons with autism in the Republic of Macedonia;
- Participation of MSSA experts at international seminars, congresses and conferences dedicated to the autism issues;
- MSSA participation in certain projects of Autism Europe and EASPD (European Association of Service Providers for People with Disabilities) where MSSA is associated member;
- Starting campaign about autism through electronic and printed media intended to public awareness raising.

President of MSSA,

Prof. d-r Vladimir Trajkovski
